Dear Bill:

Thank you for your letter suggesting that the pilot information sharing program between your agency and the Department of Commerce (DOC) be made permanent. (S)

I agree with you that the pilot program has been very beneficial in supporting US export control policy. This type of information sharing is the cornerstone of the cooperative effort needed to deal with serious technology transfer problems. The DOC now has an information sharing program with the US Customs Service to aid in their Project Exodus. We also have a Memorandum of Understanding (MOU) with the National Security Agency to share information, and are in the process of completing two similar MOUs with the Defense Intelligence Agency and the FBI. (S)

I support your suggestion to make the pilot program permanent. Your staff should contact Deputy Assistant Secretary for Export Administration, Bo Denysyk, to work out specific details. (S)

I look forward to a continued cooperative relationship with your agency. (U)

Sincerely,

Secretary of Commerce
